In every Air Charter shipment your freight is the only shipment on board and is continuously monitored, door to door. Whatever the size of the shipment, we're ready and able to provide you with the service you need. We can access virtually every on-demand aircraft type in North America, accommodating all sizes of freight, from hand-carry items to oversized shipments.

Claire's introduces our expanded expedite division with delivery to over 200 countries world wide. We have established successful relationships that provide a full range of time-definite air, ground, and ocean freight services, as well as logistics, warehousing, customs brokerage and IT solutions. With a suite of global expedited freight services, we have the ability to optimize solutions for every shipment. Our experienced team can quickly assess a critical situation, identify transportation alternatives, and implement a custom delivery solution that meets your time and cost requirements. At Claire's, we focus on every shipment and we pledge to you the highest level of on time performance, reliability and cost effectiveness with our advanced technology providing you with 24/7 reporting capabilities.
